

### **MIWISH Grants Available** for Small Employers

The MIOSHA Workplace Improvement to Safety and Health (MIWISH) Grant program awards qualifying employers a dollar-for-dollar match – **up to \$5,000** – to purchase safety and health-related equipment and equipment-related training. The goal of the program is to create a safer and healthier work environment and reduce the risk of injury and illness to workers in Michigan.

Preference will be given to employers in high-hazard industries identified in the current MIOSHA Strategic Plan as well as applications related to any current MIOSHA emphasis programs.

#### The grant period begins annually on October 1.

Grants are awarded until grant funding is expended. This is a reimbursement program. Grant awards are limited to one per company.

#### **How To Qualify**

#### To qualify, an employer must meet the following conditions:

- Have 250 employees or less, company-wide.
- Come under the jurisdiction of MIOSHA.
- Conduct a site-specific evaluation justifying the equipment purchase.
- Relate project directly to improvements that will lead to a reduction in the risk of injury or disease to employees.
- Have the knowledge and experience to complete the project and be committed to its implementation.

#### **Examples of eligible grants include:**

- Eyewash stations
- Fall protection systems
- Machine guarding
- Lock out/tag out systems
- Monitoring equipment and equipment for noise
- Lifting equipment for small nursing care facilities

To apply, complete the MIWISH application at **Michigan.gov/MIOSHAGrants**. For more information, contact us at **LEO-CETGrants@michigan.gov** or call **269-275-7155**.

#### **Instructions**

Your application will be returned to you if any of the following are not included:

- All required answers and requested information listed in the application.
- A signed justification for the project resulting from a safety/health site-specific hazard survey.
- Vendor quotes for equipment to be purchased; quotes must list specific type of equipment, individual costs and quantities.

#### Introduction

The MIOSHA Workplace Improvement to Safety and Health (MIWISH) Program awards employers in the state of Michigan a dollar-for-dollar match – up to \$5,000 – to qualifying employers for projects designed to reduce the risk of injury and illness to their workers, based on safety and health site-specific hazard surveys. **This is a reimbursement program. Invoices dated prior to the approved contract date are not eligible for this program.** Grants are awarded to employers that best satisfy the MIWISH goals. If the number of qualified applicants exceeds the available funds, applications will be evaluated based on a first-come, first-served policy. Grant awards are limited to one per company.

Previous MIWISH grantees are welcome to apply for a grant after January 1, 2024. This is to encourage new grantees to take advantage of this program.

If your grant is approved, you will be notified via e-mail, of the specific approval. Whether your grant application is approved or not in no way diminishes, delays, or absolves you of any obligation to abate hazards as required by law. No state funds will be distributed until all grant documents are signed by all parties; funds expended before that must not rely on grant approval.

#### Qualify

To qualify, an employer must meet the following conditions:

- Have 250 employees or less company wide.
- Come under the jurisdiction of MIOSHA.
- A qualified safety professional or a safety committee must have conducted a site-specific evaluation justifying the equipment purchase.
- The grant project must be consistent with the recommendations of the safety and/or health evaluation and must directly relate to improvements that will lead to a reduction in the risk of injury or disease to employees.
- The employer must have the knowledge and experience to complete the project and must be committed to its implementation.
- The employer must be able to match the grant money awarded and all estimated project costs must be covered.

Preference will be given to employers with grant applications related to MIOSHA's 2024-2028 Strategic Plan, including the high hazard industries identified. In addition, preference will also be given to employers with grant applications related to any current MIOSHA emphasis programs.

| Consideration will also be given for projects in other areas not targeted in the Strategic Plan. All projects will be evaluated based on the specific hazards addressed.  |
